WORK EXPERIENCE

2019 - PRESENT
Web Developer : ccet.ac.in
Lead of College Website Team

2020 - PRESENT
Advanced Data Science Specialist

INTEREST

In my freetime I do practice many creative hobbies. With Yoga asanas, I can keep my body and mind in balance.(7 years + Yoga practitioner)

MUSIC
NEWS
GAMING

SPECIALIZATION

Love to learn new and interesting things, having a good knowledge of Deep Learning and Neural Networks involving CNNs, and LSTM. Having a perfect knowledge of Machine Learning Models for NLP required in classification problems.

Anshul Gupta

Web Developer & Data Science Enthusiast

SKILLS

HTML	CSS
JAVASCRIPT	TYPESCRIPT
DJANGO	C
PYTHON	C++
MySQL	

EVENTS & PROJECTS

JUNE, 2019
Minor Project: Student Analyser

DECEMBER, 2019
APIs for a Social Application

FEBRUARY, 2020
Delivered Workshop on Amazon Alexa in association with ACM Student Chapter, CCET

MARCH, 2020
MTA: Introduction to Python

MAY, 2020
Jobify, the Upwork Clone

JUNE, 2020
IBM Advanced Data Scientist

AUGUST, 2020
Deep Learning Specialization

OCTOBER, 2020
Delivered Hands-On Workshop on Hacktoberfest in association with ACM Student Chapter, CCET

EDUCATION

2018 - 2022
B.E. (Computer Science & Engineering)
Chandigarh College of Engineering & Technology, Panjab University, Chandigarh, 9.13/10 CGPA.

2016 - 2018
Higher Secondary, Class XII (Non-Medical)
Government Model Senior Secondary School, Sector-35D, Chandigarh, 90.80%
